[redacted]:Two bedroom rustic style semi-detached town house set within a superb urbanization in Marbella, located near a tennis club, three schools, supermarket and La Cañada shopping centre .The property with its rustic style of wooden doors, windows, stone walls and wooden beams gives a nice ambience, has a fireplace in the living room, old fashioned oven and a rear patio with barbecue. The complex has a large green area, passages, two swimming pools and Andalusian patios with flowers and fruit trees. Walking distance to the bus station and a five minutes drive into the center of Marbella and the beach.
