[redacted]:For sale this unique house in Marbella East, with an original architecture design built by Roger Mosher, a famous american architect. The villa is located in a very quiet residential area with fantastic sea views and the pine forest of Elviria. It has been built on a plot of 5.900m2, in an elevated position. The house has a built area of 700m2. Garden with lots of vegetation and mature trees. The house has a large living room with a fireplace, all spaces are spacious and bright with warm materials like a wood floors. There are 5 bedrooms and 4 bathrooms, 3 kitchens, pantry and garaje. Large terraces from where you can enjoy very nice views to the quiet garden and Mediterranean sea. Just 3 Km from the beach in one of the best residential areas of Marbella, Elviria. The area is very quiet in a countryside landscape, close to everything.
