[redacted]:Bank repossession villa, built to a good standard up to roof, plot also has planning permission for 2nd villa on own big plot. This very large plot has so many options, on one of the best streets in one of the most sought after areas in Marbella, it can easily be split into 2 plots. This fantastic opportunity has a 5 bedroom large villa built to roof stage with a pool on a big plot, electric and water services. This could easily be finished off to a high standard and sold or rented out. Leaving you with an inexpensive very large plot to either sell or build your dream home, filled with old cork trees and a small lake.
