[redacted]:Large villa of 482 m2 of built area with a plot of 355 m2 in Antequera, province of Málaga, in Alameda. This beautiful home, due to its size, meets the needs of a family with children. The villa is three stories high and has a beautiful living room, five bedrooms, five large bathrooms, an office on the ground floor and a furnished kitchen and absolutely independent of the rest of the rooms. In addition, the villa has a terrace and a 22m2 pool for you to enjoy the good weather with family and friends, barbecue area and a small bar. The basement of about 200m2, is divided into two areas, one dedicated to the little ones of the house but that can well be conditioned as a gym or whatever you want, and the other part is a garage with space for several cars. The property is all exterior. The chalet is located on an easily accessible road. The house is in very good condition, ready to move into. As for the qualities, this villa has air conditioning, heating, beautiful carpentry that gives a lot of warmth to the house.
