[redacted]:This lovely townhouse is situated in the whitewashed mountain village of Ojén which is only 8.5 kilometres from Marbella. The village has many bars and restaurants as well as sports facilities and public primary school. Located on a quiet one way street that runs parallel to the main road, the house has a large garage which could hold 3 cars. Previsions have been made to make a bathroom/wc as well as storage areas. Stairs lead to the first floor where there is an open lounge/dining area with wood-burning stove, open plan fitted kitchen, air conditioning and Juliette balconies. Along the corridor there is a bathroom with shower and an interior patio. There are 2 good sized bedrooms and a master bedroom with walk in wardrobe as well as a family bathroom with bath. All these rooms have Juliette balconies, double glazed windows with roller shutters and parquet floor making this house very light and airy. An open staircase leads to the second floor where there is a lovely open room with tiled floor which is ready for the buyer to adapt to his needs. A door from here leads to the roof terrace which has previsions for a barbecue area and has mountain views. This house has been built by the current owner and there is a lot of attention to details in this lovely home.
