Bedrooms: by request	Bathrooms: by request	M²: 4,112	Price: 1,150,000 €
Status: Sale	Property Type: Land	Parking places: by request	Printing day : 13th December 2025

Overview:Very nice big mostly flat plot for sale in the prestigious urbanization Hacienda Las Chapas. The plot offers enough space for two houses. There is sea view and the plot is surrounded by beautiful trees, so it's very private. There is enough space for a grand driveway. This is the last plot in this urbanization of this size and quality. A must see!
