Parking places: by request

Printing day : 11th January  
2025

Overview:Very nice big mostly flat plot for sale in the prestigious urbanization Hacienda Las Chapas. The plot offers enough space for two houses. There is sea view and the plot is surrounded by beautiful trees, so it's very private. There is enough space for a grand driveway. This is the last plot in this urbanization of this size and quality. A must see!
