■■■■■■■■■:Antequera is buzzing and thriving. Right in the heart of this historic city, this former family home now representing a very interesting investment propostition. The property is we understand some 100 years old and is built in a style long gone with thick powerful brick walls robustly withstanding the test of time. High ceilings, grand rooms and an internal patio. Make of it what you will, Offices, trendy shops, apartments a small hotel. The choice is endless. Requires modernization.
