This is an excellent opportunity as a country retreat or as a potential business (existing trees are lucrative or it can be a B&B or another type of touristic venture). It is strategically located only 10 mins by car to the beach and Sotogrande, also very close to a Polo Club and the Luxury Hotel Monasterio. The 3-bedroom villa is spacious and can be legally reformed. It has spacious bedrooms, fully-fitted kitchen, living area and a large porch. The property is well maintained and the owners installed recently a new watering system worth €24,000. The property also benefits from a licence to extract water from the local stream (which is very important and few properties enjoy). Contact us for more information or to arrange a visit.
