Downstairs you will find almost 180m2 of basement with so much potential to convert in what is needed for your needs.The garden is well kept and very private. There is a nice pool area with barbacue / outside kitchen and storage room. The finca is fenced and gated with 360* views. On the land there are many fruit trees and olives trees. The finca itself is classified as urban, the ground around is rustic as it is campo area. There is an asphalt road all the way to the property. Lots of room to park cars, there is also a seperate entrance gate for more parking and accessing the land and basement. The finca is ideal for holidays but also for people who want to live here permanently and enjoy the outside live, only 7 minutes away from both towns.
