[redacted]:This is undoubtedly one of the most outstanding front line penthouses in Marbella. It has privileged panoramic views from the large windows from the main living area and from the bedrooms. Extensive renovation 2018 including plumbing renovation, with modern architecture with excellent design and qualities, offering the highest level of luxury with the highest quality materials and exceptional finishes, to exceed expectations. Air conditioning and heating in every room. It has a living-dining room, kitchen, guest restroom and 2 bedrooms, each with its own private bathroom with shower. The master suite is completely cozy. Curtains and electric curtains. Kitchen of the highest quality furniture and electric appliances miele. The penthouse is located in a building with two outdoor community pools, with 24 hours security. Direct access to the promenade and 5 meters from the beach. Next to the Paseo Maritimo you will find all the necessary services such as supermarkets, pharmacies and within walking distance you will find multiple restaurants with national and international food. Also within walking distance you will find a wide range of sports activities".
