[redacted]:CONTEMPORARY, BRIGHT, SPACIOUS, LUXURIOUS! Those are just some of the many words you could use to describe this beautifully refurbished property, located in the immaculately maintained Mijas Golf area. This truly amazing house boasts an impressive entry hall, spacious lounge/dining room, state of the art kitchen, 4 double bedrooms, 3 bathrooms plus cloakroom. In addition, there is a double-car garage, driveway large enough for several other vehicles and an unfinished basement area for yet further rooms (eg. cinema room, if so desired!) The beautifully landscaped gardens and large terraces enjoy both sun and shade during the day. The house has 2 pergolas: the first one has an outdoor kitchen and barbecue area, and the other one has a Jacuzzi and entertainment area plus, of course, a fabulous swimming pool! So many extras! Must be seen to be fully appreciated! No expense has been spared!!!
