[redacted]:Absolutely stunning 6 bedroom villa located in Atalaya de Río Verde, walking distance to Puerto Banús. A truly luxurious property that is contemporary and modern but remains inconspicuous in its elegance. Large picture windows throughout the property make it a very light and airy property. The property has underfloor heating and wooden floors throughout, as well as hot and cold air conditioning. A beautiful covered relaxation area in the garden opposite the main house with a working fireplace. Immaculate swimming pool, tropical gardens and private parking. Located in one of Marbella's best urbanizations.
