[redacted]:A stunning unique authentic Andalusian style townhouse situated on one of the most picturesque streets of the old town of Estepona, only 300m from the beach and within walking distance to all amenities. The house retains the charm of a traditional townhouse with its original beamed ceilings, terracotta hand made tiles, windows with the and patio areas. This property is distributed over 2 floors. The main entrance leads into a lovely chill out area with a corner bar perfect for entertaining, the open plan style leads to a large rustic style kitchen and follows on to a lounge area with fireplace and small patio area that lets in lots of natural light The outdoor sprial staircase takes you to a lovely sunny roof terrace area ideal for outdoor dining. Leading up some stairs to the second floor there is an amazing large open plan bedroom with ensuite bathroom, unique with its hand made beamed ceiling, fireplace, terracotta floors, free standing bath and walk in shower and an additional small bedroom with another ensuite bathroom with a shower. This is truly a one off unique property, right in the heart of Estepona that must be viewed in person to capture all its authenticity.
