[redacted]:VIEWINGS AS FROM EARLY JULY 2022. This detached house is one where the tenants will have the luxury of spending their holidays in a relaxed and private environment due to a great amount of privacy given. It is located in the lovely area of Golden Mile where investments are all mostly smart leading to the generation of huge additional return of investment. It has a large yard with a privately installed swimming pool offering the chance to cool off during the hottest periods of year in summer in Marbella. Additionally, the large plot of 1080 sq meter gives the chance to the owner to enlarge or modify the constructed villa in ways the owner wishes to do so
