[redacted]:Large independent villa in El Pinillo, very private, with spectacular panoramic views and separate apartment for guests. This home, recently renovated and in a phenomenal state of preservation, consists of three levels distributed as follows: on the main floor is its spacious and bright kitchen, which connects to the cozy dining room with fireplace. A terrace gives us beautiful views that reach the sea. It is completed with the master bedroom, en suite, as well as another double bedroom and a full bathroom. On the upper level, a loft serves as a storage area, with a storage room and a very private terrace from which to contemplate the horizon and enjoy the sun. The lower floor houses the separate apartment, with a good size living room and open concept kitchen, bedroom and full bathroom. In front of the apartment we have a magnificent porch, perfect to relax and enjoy a barbecue with family and friends. The plot, with space to build a pool, offers fruit trees and vegetation of different kinds where lemons, papayas, limes, tomatoes, etc. grow. It includes space in the enclosure to park up to 5 or 6 vehicles, in addition to a large workshop / storage room.
