[redacted]:Welcome to this homely architect-designed villa, with wonderful sea views. The villa consists of 4 bedrooms 3 bathrooms and a guest floor, with good rental potential. The villa is secluded and has several patios where you can enjoy the sun and the panoramic sea views from morning to evening. The villa is located in a very attractive and quiet residential area in Arroyo de la Miel with good bus and train communications and close to a large selection of restaurants and shops. The villa is in a very good condition and has been repainted both inside and out in 2018. We recommend viewing.
