[redacted]:Beautiful Finca style B&B with all licenses in place including AFO, set over 2500 square meters of land, with stunning views over the mountains and the manicured grounds. This is truly a great example of a Bed and Breakfast property in the countryside, yet within a 5 minute walk into the village.The property consists of individual dwellings in a classic Andalusian way and boutique style rooms, offering comfort and tranquillity, a large pool area with ample outside space to lounge around in the sun, along with onsite honesty bar fully stocked, breakfast meals can be offered too. The property has a proven track record on rentals, and currently sits at 9.8 with TripAdvisor for B&B on the Costa del Sol. Viewings a must !!
