[redacted]:If you like the nature, then this is the perfect house for you! Nice single storey country property, very well maintained, and distributed as follows: Fitted open-plan kitchen, living-dining room with fireplace, 3 bedrooms (one with a fireplace), and one bathroom. The house is surrounded by a terrace, and there is a pool. The plot of over 11,100m² has both almond and olive trees which require low maintenance. There are fantastic 360º views, and good access via a mostly tarmac mountain road (4,5km from the main road).
