[redacted]:Fantastic villa in San Diego with sea views. This property has been completely refurbished to high quality standard. It consists of 4 bedrooms, 3 bathrooms and an open living / dining area with an exclusive American-style kitchen. The huge outside area is totally private, it offers a fantastic pool, several terraces and a covered barbecue area. The garage has space for 2 vehicles, but in front of the garage there is further space for another 4 cars. The property offers beautiful views to the sea, to the African coast and to Gibraltar. The location of this villa is ideal. Located between the prestigious Sotogrande and the authentic fishing village of Sabinillas, where you will find numerous golf courses with excellent reputation nearby, as well as marinas, beaches and many of the typical Andalusian sights. The nearest beach can be reached by foot in a few minutes. Properties in this location and quality are rare and sought-after, we highly recommend a viewing!
