[redacted]:RENTED! Whitout doubt the best garden apartment in Hacienda Elviria, this unit is a corner and has wrap-around extra garden on the right side apart from the private garden, you almost feel like you are in a villa! The property needs investment to renovate, it has two bedrooms with two bathrooms, a large living room and a partly fitted kitchen with a large utility room. Cover and un covered terrace with sea views. Parking space included in the price, but there is no storage.
