[redacted]:A very spacious house built in 2011, near all amenities and walking distance to the beach. This very spacious, light house was built on three floor, it comprises in the ground floor two very spacious offices than can be converted in an separate apartment or used as a bedrooms, 1 bathroom with shower, a large enclosed garage for 3 cars and a lift two access to the upper floors. In first floor, it comprises a 50m2 lounge with a lot of natural light and access to a huge terrace with all day sun, large kitchen, 1 bedrooms and bathroom adapted for the disabled. On the second floors has three very spacious bedrooms and two bathrooms (one of them with bathroom on suite) and lovely sea views from all the bedrooms. The house has hot-cold air conditioning and solar panels have been placed over the house to generate part of the energy and all the hot water that the entire house will consume. Community gardens and pool. Only 400m to the shopping center and 1km walking to the beach. Ideal family house.
