[redacted]:This house is located in the very centre of Alhaurín de la Torre, very close to supermarkets, shops, bars & restaurants, banks, schools and health centres. On a plot of 90 m2, the house has a constructed area of 124.70 m2, on 2 floors + 1 patio & 2 terraces of 67 m2 partly covered and consists of 3 bedrooms (1 on the ground floor) + 1 spacious hall/office, 1 bathroom, kitchen next to the patio, as well as the dining room, being this one an extension of the living room. Thanks to its openings to the outside, the house offers a pleasant luminosity, without losing its freshness in summer, due to its wide walls. The roof terrace, the hallmark of a contemporary home, gives this characterful house a haven of peace and an unobstructed view of the sweet starry nights. SR1
