[redacted]:Beautiful penthouse with high ceilings in a historic building, located in one of the most popular places in the Historic Center of Malaga, next to Plaza de Camas. The apartment has a spacious living room with an equipped American kitchen, two bedrooms, a mansard, two bathrooms with shower and a large southeast facing terrace. From the terrace there are beautiful views towards the city of Malaga. The apartment was renovated during 2017: new bathrooms, open kitchen with new appliances, new electric water heaters (there are two), new tiles on the terrace and new paint through out the apartment. The apartment is located on a small street between Plaza de Camas and Calle San Juan, near the Atarrazanas Market, ecological shops and restaurants. The penthouse is in the heart of Centro Historico about 200 meters from Calle Larios and 500 meters from the Port of Malaga Muelle Uno.
