[redacted]:Amazing opportunity, one of the older original houses still standing in Sabinillas, next to the beach, with fireplace and on street level. This house needs a bit of love, but you get a great storage room, own private patio and a good size living room, kitchen / dining, upstairs space for 2 bedrooms, one bathroom upstairs and a bathroom downstairs. Upstairs private solarium with beach views! You can here add the storeroom back to the house, change the staircase back as this was once like this and you can make a real nice 2 bed, 2 bath townhouse next to the sea! Who sees the opportunity? Contact me now!
