[redacted]:Wonderful apartment in one of the most prestigious urbanizations of Fuengirola. In the heart of Doña Sofia, with an unbeatable location and on the beachfront. Just five minutes walk from the center of Fuengirola and its great shopping center. This apartment has three spacious bedrooms; with two full bathrooms, one of them on suite. A large kitchen with laundry room and with space for any type of household items. The living room is very bright and spacious, with access to its two large terraces. In them you can enjoy the magnificent Mediterranean climate overlooking manicured and beautiful gardens with fountains. We highlight of this apartment its unbeatable location, as well as not facing any street with traffic, but pedestrian streets, so it is very quiet, an opportunity to relax and get away from the noise. And of course enjoy the great beaches of Fuengirola, just two minutes walk. Do not miss this opportunity to live or invest in one of the jewels of Fuengirola and the Costa del Sol.
