[redacted]:This is a very spacious first floor, 2 bedroom, 2 bathroom apartment located in a popular part of Estepona. This small community was built in 2005 and is set around a pretty communal garden area and pool.. The terrace is a very good size and ideal for enjoying the Costa del Sol weather with lots of space for a seating area as well as a dining area. Inside the property has been renovated to a very good standard providing very comfortable living accommodation with a good sized and bright lounge. The kitchen is open plan but has a large area of its own which is fitted with modern appliances and leads of to a separate utility area. The bedrooms are a great size with plenty of storage space and there is a large walk-in shower in one of the bathrooms. This really is a good, well priced and modernised property ideal as a permanent home or as a holiday home. The beaches, local amenities and towns of Estepona, San Pedro and Puerto Banus are just a short drive away.
