[redacted]:Fantastic Luxury Villa in one of the most prestigious areas in Torrequebrada, Benalmádena Costa! Located on a cul-de-sac right next to the fantastic Golf course, this is a real gem of a property. If you are looking for a large family villa in a quiet, residential area, yet close to everything you need such as schools, supermarkets, shops and the sea, look no further! The villa is built on two floors plus a basement and on the ground floor you have the very spacious living and dining room which opens up to the covered terrace with fantastic Golf and mountain views. There is also a separate kitchen with utility room, also with access to the terrace, a large entrance hall with beautiful staircase, guest WC and two bedrooms, both with ensuite bathrooms. On the upper floor we have the Master Suite with a walk-in-closet and ensuite bathroom and another large bedroom with ensuite bathroom, both sharing a large, open terrace with even better views! The basement is extremely large, 201 sqm and has huge potential for creating many types of spaces. The current owners haven't used it for anything but parking and storage, but can be converted into whatever suits your needs. The front porch has a small garden with plants and trees and on the other side of the property, facing the Golf course, are several open terraces, a pool area and the rest is the part of the plot leading down the slope to the Golf course with plants and trees. A truly fantastic property!
