[redacted]:This magnificent mansion, created using classic Andalusian architecture and design, is a work of art, combining elegance and contemporary minimalism with comfort and traditional charm. The property is made up of an incredible open-plan living room, divided into several areas: the first, made up of the chill-out area, with its fireplace and large sliding windows that make this a particularly bright room. in addition to allowing access to the incredible exterior areas of the house; the second, consisting of an elegant high-capacity dining room, with designer furniture; and the third, consisting of an incredible minimalist style kitchen, perfectly equipped with the most qualitative appliances, well designed to easily find everything you need, with plenty of storage space and a custom-made island. The property has 6 bedrooms, each with its spectacular en-suite bathrooms, the main one being one of the most impressive places in the mansion, as well as having its own private terrace and a splendid dressing room. On the lower floor, the house has a large leisure area, made up of several areas: a games room with a pool table, an incredible library, a beautiful and elegant wine cellar, a sauna and a Turkish bath. Finally, mention should be made of the incredible outdoor area, formed by large terraces, and a wonderful and well-kept garden with a spectacular pool, where you can enjoy al fresco dinners, family barbecues, good weather and tranquility. and security of one of the best and safest areas of Marbella. The estimated completion date is scheduled for March 2022. The price includes all the interior design and furniture.
