[redacted]:FOR SALE... Just completed duplex penthouse for sale in best Golf Resort of Europe, FINCA CORTESÍN. Modern and contemporary architecture, spacious terraces and solarium, south and south-east facing with panoramic sea views. The project offers spectacular common areas with swimming pool type "Infinity" with a waterslide of 197 m² and Spa (Swan collar and 2 water cannons) and RGB LED lighting at dusk. With uninterrupted views from the Sierra landscape of Marbella to Gibraltar and the coast of Morocco. The 180º view of the Mediterranean is a privilege few can enjoy. The buildings are really attractive from the outside. The architectural lines that make it spectacular are extended into the houses, creating spacious areas that take advantage of the excellent location and allow you to continue enjoying the views. The penthouse is equipped with bathrooms with rain shower, floating toilets. Enjoy the unrivalled sea views from your large terrace. Tropical gardens with automatic irrigation. Garage with installation of a point for charging electric vehicles. With the possibility of fast or slow charging. Italian design gym: The world's first complete fitness solution, designed for high intensity functional training.
