[redacted]:This ground floor apartment is set in a beautiful urbanisation in Miraflores on Mijas Costa with proven holiday rental returns. Please note that although it is a ground floor unit, you need to go down some stairs to reach the entrance of the apartment. It is spacious, in good condition and has a good sized terrace with direct access to the garden. Residents can enjoy two community pools and a children's pool. Bars, restaurants and supermarkets are all very close by. A car is needed to access this community as it is part way up the hill in Miraflores, but it is still only a few minutes to the beach.
