[redacted]:Very well presented villa with excellent sea and coastal views down to the El Faro lighthouse. Comprising of three bedrooms and two bathrooms with one en suite plus a third bathroom and shower for use by the pool. Fitted kitchen and split level lounge/dining room which leads to the front terrace. Lovely terrace areas all around the villa with super views from the pool area. The villa is in a quiet cul de sac but only a ten minute walk down to the beach and the village of La Cala de Mijas where you can join the beach front boardwalk. Private garage. This will make an excellent family home or holiday villa.
