[redacted]:Lovely villa set on a large sunny plot with a private garden and heated swimming pool. Nice views to the sea and the La Concha mountain. The house is built over two floors and features entrance, large living room with fireplace and exit to the terrace, semi open-plan kitchen, one bedroom and a shower-room on the ground floor. Upstairs has the master bedroom with en-suite bathroom (with underfloor heating), a guest bedroom and bathroom. There is also a large solarium terrace which can be accessed from both bedrooms. On the street level of the property there is a double garage with extra space for storage. Excellent buy for an excellent price!
