Overview: A spectacular villa in the luxury residential area of Sierra Blanca. Its convenience and its south-facing orientation have made the most of the contrast of landscape the place has to offer: To the south, the Mediterranean, visible even from the ground floor level. To the north, the impressive "La Concha" mountain; It is, without any doubt a privilege to enjoy the views offered by this "Spanish Revival"-style villa which is reminiscent of typical Mediterranean houses with their stone-cobbled entrance ways, white walls, Arab-style tiled roofs and black wooden doors and windows. All this contributes to making this 9-bedroom, 9-bathroom villa the ideal place for families and entertaining. Special mention should be made of its Tuscan style stone porches, which form special outside spaces for relaxation and comfort. Everything is finished to the highest standards and is separated into three main areas: Family area: Double height entrance hall, one bedroom, a large living room (with dining area, TV area and family area), a spacious modern kitchen (with central island, cold chamber, bar counter, lunch area and laundry room), two clearly differentiated porches, a large garden, a heated swimming pool with a fountain, a sun deck and barbecue area. Sleeping area: composed of 6 spacious bedrooms each with their own en-suite bathroom. Particular mention should be made of the master bedroom with its en-suite bathroom and panoramic terrace, from which you can enjoy the most spectacular sunrises and sunsets in Spain. Relaxation and leisure area: this is an area where all the family and friends can enjoy the games room, the cinema with chaise-longue seating and bar, massage room, sauna, steam room or the gym. There are also two staff or guest rooms. All in all, this villa was designed for the most demanding of clients and is intended to be the perfect refuge for those seeking true quality of life.
