Printing day : 9th November 2026

Overview:Traditional house in Tolox with the Sierra de las Nieves behind. The property currently has 2 bedrooms and 1 bathrooms (although one of them is quite large and two can be made) It has a living room, dining room open to the kitchen, a pantry room, bathroom and patio Andaluz with direct access to the street. On the first floor there are two bedrooms and a room easily convertible into a third room or study. This property offers many possibilities as it is very well located, overlooking the town of Tolox, with great places to walk, its spa and Torrecilla peak.

Features:

None, Investment
