Overview: Top located rustic bungalow in San Pedro de Alcántara. This fantastic property is just a few minutes walk away from the centre of San Pedro. On one level this property offers a large living/dining room with open log fire place and direct access to the garden. Next to it there is a very spacious and bright kitchen with pantry and the laundry room. Underneath there is a 23m² basement. The master bedroom is en suite and the other 3 bedrooms share one bathroom. In the garden there is a pool and various fruit trees as orange, lemon and avocado and a huge covered area for dining and BBQ. The house is in a good condition but would benefit from some modernisation. There is hot and cold AC in all rooms and a night storage heating. Possibility to park 2 cars.
