Light and the sensation of freedom are the leading features of this development, with double height areas, floor-to-ceiling windows and optionally crowned by a large solarium terrace that covers the entire upper part of each of the houses. Comfort and quality of life are always present at this development. Each villa has almost 400 m2 built area, private infinity pool, parking for two vehicles, several terraces and garden areas. All villas are configurable and can be adapted to the taste of their owners with multiple options to make them unique homes. Underfloor heating throughout, leisure room, gym or spa, and even the possibility of including up to two more bedrooms. This development blossoms in a beautiful spot in the south of Andalusia, La Cala Golf Resort, a spectacular space in the heart of the Sierra de Mijas Natural Park with three of the best golf courses in Europe perfectly integrated into the landscape. All the villas are very close to the Club House, 10 minutes from the magnificent beaches of the Costa del Sol, between La Cala de Mijas and Fuengirola, and very well connected with Marbella, 20 minutes, and Malaga International Airport (AGP) just 30 minutes.
