Overview:Finca Pantano Casasolas is a stunning property overlooking the Casarsola Dam with spectacular views down the valley, surrounding mountains and lake. It is set in 225.000 m² of land located within a 25 minute drive from the centre of Málaga. The main building has a constructed area of 1.900m² with a central internal patio and covered corridors. The apartments surround the internal patio, a wonderful Andalusian feature! There is also a separate detached villa with a constructed area of 322m² including terraces. The plot has a number of populated olives, almonds, figs and carob trees. It is accessed via an internal road that connects to the MA-3402 road. It was originally designed as a hotel but was later converted into apartments. This incredible property offers so much potential, how many properties do you know that overlook a lake and a dam?
