Overview:Plot for sale in Buenavista Urbanization, amazing sea views, this plot is in the upper part op the urbanization so it has the best views. Buenavista is a new private urbanization, in nature but very close to the motorway, supermarket, shops and Mijas pueblo. At just 2 km from the Higuerón commercial centre. 10 min from Málaga airport. This is an ideal plot as an investment or for own use. This urbanization is in development so in a few years it will be a very luxury place. Building coefficient: 0'26%

Features:

None, Sea views, Mountain views
