Overview: This townhouse is located in the new trendy area, in San Pedro Playa. The property is located in a charming community in a quiet area on the beach of San Pedro, a few meters from the beach, the promenade that connects with Puerto Banus and Marbella. All kinds of services are very close, restaurants, schools, shops, sports club, etc. etc, it really is one of the few places where you do not need a car. The house is composed of 2 floors and cover, on the ground floor is the living room, hall, toilet, kitchen, pantry and laundry patio, a bedroom that current owners use as a dining room, and private garden area. In the high room there are three bedrooms with two bathrooms, one of them incorporated into the master bedroom and terrace.
