Overview:Fantastic townhouse – a few meters walk to Manilva's dream beach. In the middle of a popular residential complex, in a great location next to the beach, this house consists of a living/dining area with open plan kitchen, 2 bedrooms, 1 bathroom, 1 guest toilet and 2 huge terraces. The property has been completely renovated (electric, flooring, windows, bathrooms, kitchen) and modernized to a high quality standard and very tasteful. This house is in excellent condition and offers stunning sea views from the large roof terrace (approx. 30 m²). It is a perfect holiday home. There is a large community pool and a children's pool in the residential complex. From here you can stroll along the kilometre-long promenade and enjoy the Andalusian way of life in one of the typical beach bars. Must be viewed!
