Overview:Large corner townhouse with two independent entrances in Alhaurín el Grande. This two-storey property is distributed as follows: On the ground floor are two bedrooms, two living rooms, bathroom, kitchen with access to a patio (with utility room) and from the patio is access a terrace. In each room there are stairs that lead to the second floor. One wing of the house comprises 2 bedrooms and the other is a large open plan room with high wooden and cane ceilings. There is access to the top floor but it is currently divided. The location of this house is ideal for those looking to live in the old town, in a quiet street yet just a stone throw away from the restaurants, shops and main street.

Features:

Air conditioning, None, Parking, Resale
