Printing day : 10th November 2026

Overview:Beautiful house in Casares completely renovated, with beautiful 360 degree views of Sierra Crestellina, Genal Valley, Mediterranean Sea, Gibraltar and Africa. The house has a high standard reform with wood carpentry, porcelain floors, marble bathrooms and new installation of electricity and plumbing. The house is located in one of the narrow streets, less than 100m away from the parking areas. Built on 3 floors the house has on the ground floor of the street the living room of the house, a toilet and the completely renovated kitchen, furnished and equipped with all electrical appliances. On the lower floor there are 2 double bedrooms and on the upper floor is the master bedroom with the full bathroom. On the upper floor there is also the comfortable terrace with barbecue area, and with magnificent views. It is a very nice house, in a very accessible area and a house that is ready to move into.

Features:

Sea views, Mountain views, None
