Bedrooms: by request	Bathrooms: by request	M²: 362	Price: 1,536,800 €
Status: Sale	Property Type: Land	Parking places: by request	Printing day : 28th August 2025

Overview:Excellent plot, totally flat with a formidable location, being in one of the most emblematic areas of Marbella such as Nagüeles. on this plot you can make 2 houses of contemporary or other style but always magnificent villas, as I have previously commented on their The location is very good for being close to Marbella city or the famous Puerto Banús and at the same time being away and being able to enjoy a great tranquility and privacy, there is a basic project already done.
