Overview:Exceptional 1-bedroom penthouse located in the heart of Finca Cortesin's Golf course, one of the most exclusive and prestigious golf resort in Spain, on the Costa del Sol. The low-density complex is surrounded by a mature landscaped garden offers 24/7 security service as well as 3 large swimming pools. The property is built with high quality materials: fully equipped kitchen with Siemens appliances and separate laundry room. Excellent finishing of carpentries and cupboards, marble bathroom with underfloor heating. This penthouse stands out for its large dimensions both interior and exterior: the entrance leads to a bright and spacious living room. The large bay windows open onto a large terrace from which you can enjoy amazing panoramic views over the sea, the mountains and the golf course. It also includes a private parking space in the underground garage. Located near the beautiful beaches of Casares and just 10 minutes drive to the center of Estepona. A wonderful property in perfect condition: ideal for holidays, to live all year round or for high rental return (proven track record)! *** 3D VIRTUAL TOUR available ***
