Overview: The finca is situated in a very quiet and green cul de sac in Entrerrios, the rustic area just behind La Cala de mijas. The house is 104 square meters but is up for renovation, nevertheless the finca is legal and a renovation license can be asked at the townhall. The finca has in it's original state 2 bedrooms and 1 bathroom and it's own private pool. A great place with lot's of privacy for everyone that likes a green surrounding and hiking. The plot is 4735 square meters and has all kinds of fruit trees and an extensive vegetable garden. The finca is very well priced to allow renovation of the finca and stay within a reasonable budget. The finca is connected with the electricity and has water from it own wells. The finca is a 10 minutes drive from La Cala de Mijas and 25 minutes from the airport.
