Overview: Very spacious villa with a beautiful 1400 sq m garden and private swimming pool in Elviria - a very quiet part of Marbella. Sea view, 1 km to sand beach, 600 m to restaurants and shops. Very private, surrounded by hedge, garden and swimming pool area can hardly be seen from anywhere outside the property. Great opportunity for refurbishing - the villa has a lot of space, nice big plot and the location is great. The price is below the market.
