Overview:A gated residential complex situated in La Hacienda del Señorio de Cifuentes, in Benhavis. The area offers stunning views over the Mediterranean Sea and majestic mountains. On a clear day you can even see the Rock of Gibraltar and the mountains in Morocco from some apartments. The peaceful environment and beautiful loca- tion offer the perfect sanctuary from the stresses of everyday life, traffic noise and hustle and bustle. Despite its tranquil setting, this haven is also close to the exciting Marbella lifestyle, with nights out by its famous Golden Mile beaches, a wide variety of shopping, and leisure activities for all interests and ages. Dip into town centre life whenever you wish, and return to the peace and quiet of your home within minutes. The apartments comprise a spacious and light open-plan living area with large windows, a fitted kitchen, separate laundry room and two to three bedrooms. All master bedrooms have an en suite bathroom and walk-through wardrobe. There is a separate second bathroom for the other bedroom. The generously proportioned terraces offer a private outdoor space to socialise with family and friends. Some apartments offer multiple terraces so you can enjoy the sun in both the morning and evening. Attractive communal areas, four outdoor pools, including an infinity pool, and spacious terraces at Hacienda Collection allow you to make the most of the sunny Andalusian climate. The complex consists of 23 blocks with just over 250 apartments. The entire site is on private land, with the main entrance manned 24/7 for our residents' peace of mind. Every apartment block has a lift, designated parking space, and an additional storage room
