Overview:Fabulous penthouse with spectacular panoramic views of the Calahonda sea. The apartment makes us fall in love at first sight, since from the moment we enter it, the sea surprises us from the front. It consists of a spacious hall, full kitchen with window and integrated laundry room, living room with fireplace, high vaulted ceilings that provide a great feeling of spaciousness and direct access to the terrace, as well as two bedrooms (the main one en suite) and two toilets. A third room of 15 m attic used as an office or dressing room. Its terrace is the queen of the house: spacious, with unbeatable panoramic views of the Mediterranean and south orientation that guarantee sun all day. It is also very private. The community offers two pool areas to its owners, as well as gardens and extensive parking areas. Nearby is a bus stop, and you can walk to restaurants such as Miel & Nata, dog park or playground. Just 5 minutes from the beaches of Calahonda, La Cala de Mijas and Cabopino as well as restaurants, supermarkets and other services.
