Overview:Beautiful Andalucian style house in the center of Alhaurín el Grande, close to all services. The house needs some reforms but has a lot of potential Distributed over two floors, this property includes, at the entrance level: large hall that leads to the living/dining room, large bedroom, equiped kitchen with access to a small patio and bathroom. The upper floor has 3 large bedrooms, two of them face the street. the house consists of two terraces, one has access from the patio with laundry area and the second terrace with access from inside of the house. Must be visited!
